

Shelf Bracket Hole Mapping Template (mm grid)

Print at 100% (no fit-to-page). Place bracket on outline and mark hole centers.

Bracket placement box (60mm x 38mm)

Place the bracket on this outline, then mark hole centers on the grid.

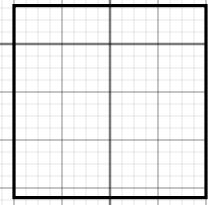

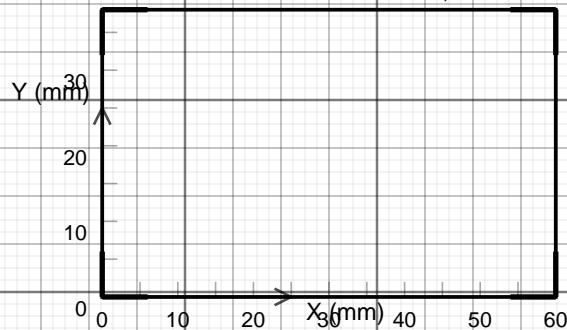

Tip: Record each hole as (X,Y) in mm from the bracket's bottom-left corner (0,0).

Shelf Bracket Hole Mapping Template (inch grid)

Grid is 1/16" minor, 1/4" major, 1" bold. Bracket box is still 60mm x 38mm.

Bracket placement box (60mm x 38mm)

Place the bracket on this outline, then mark hole centers on the grid.

1" x 1" (verify print scale)

Use the inch grid for reading offsets; convert if needed (1 in = 25.4 mm).
